## FROM THE RABBI

### It's All About Who

Mort Mandel, who passed away this month, was one of the greatest Jewish philanthropist of our generation. He authored a book named, "It's All About Who You Hire and How they Lead" telling his secrets for success.

The basis of his conviction is that a single individual has the power to change the world.

This is the very foundation of Chabad philosophy; that every individual has the power to change the world - one Mitzvah at a time.

Don't look around you to find leaders - just look in the mirror!

- Rabbi Zushe Greenberg
