FROM THE RABBI

Yitgadal Viyitkadash

Fifteen years ago, my sister Sternie, and brother in law, Rabbi Benny Wolf moved to Hanover, Germany to open a Chabad Center. A short time later, a visitor challenged them.

"Why are you here?" he asked. "There is no Kosher food, you don't have a Minyan for services, no Jewish dayschools for your children and you struggle to support your family.

You are a capable couple. Move to a thriving Jewish community. You can have top jobs, your kids can have friends and classmates and Kosher food will be down the street."

Rabbi Benny looked at him and quoted the beginning of the Kaddish prayer, "Yitgadal, viyitkadash Shimay Rabba." Literally translated: May His great name be glorified and sanctified.

Benny continued, "My mission here is to make sure that every Jewish child in Hanover will know how to say the Shema, and have the name of G-d on his lips."

This week, tragically, we lost my brother in law. **Yitgadal Viyitkadash Shemay Rabba.**

PRESCHOOL

Zoom Classes

Huge **thank you** to the Solon Jewish Preschool staff! As soon as schools were closed, we slid right into Zoom classes and now completed five weeks of ZOOM classes every day for each class - with supply packets delivered to each home and detailed weekly letters.

Thanks to their efforts, the students are really keeping up with their friends, teachers and academic skills. Teachers spend SO much time learning how to use Zoom and adapting lessons to really engage kids in a virtual classroom.
Thank you!

Save the date for our virtual Graduation, Monday, June 1, 12:30 pm

HEBREW SCHOOL

It has been so nice seeing the faces of the Hebrew school students during our weekly sessions! We've enjoyed stories, prayers, discussions and interactive games and crafts together. A lot can be learned remotely!

We are preparing a special **End of the Year Ceremony** for all Hebrew School families on **May 17th**, where the kids will perform songs and a short skit. We will also be honoring the students that have made progress in Hebrew reading as well as showcasing their knowledge through an interactive Kahoot game.

Looking forward to seeing you!
