FROM THE RABBI

Clouds of Glory – In Solon!

In a month from now we are going to celebrate the holiday of Sukkot. One of the reasons for building the sukkah hut is to remember the special Clouds of Glory that traveled with the Israelites and protected them from the elements for forty years in the desert.

This year due to Covid-19, we will commemorate the clouds of glory a bit early. This High Holiday season, our community will pray together under our own clouds of glory – a beautiful 7000 square foot party tent.

I am sure, that just as the clouds in the desert protected the Jews in their journey, G-d willing, we will be blessed with a safe and inspiring High Holiday experience and all our prayers will be answered for good.

High Holidays 2020 will always be remembered!

- Rabbi Zushe Greenberg
