FROM THE RABBI

Nu!

The latest variant of covid was supposed to be named NU, which is the next letter in the Greek Alphabet. For some reason, the WHO skipped over NU (and XI) and went straight to the following letter, Omicron.

The word "NU" in Yiddish consists only of two letters but it has so much meaning; Nu, when is our food coming? Or, Nu, Doctor, how is my mother's health?

We are thankful that there is no variant with a Jewish name, but by Divine Providence Nu has made it to the news.

Perhaps G-d is posing the question to us, **Nu... when were you last in shul?**

- Rabbi Zushe Greenberg

HEBREW SCHOOL

We had a busy Chanukah season! 6th grade had a Latke War competition! Which team can best portray a Chanukah message using latkes and toppings?

5th grade made latkes from scratch; peeling, grating, mixing and frying. Thank you Olga Polner for volunteering!

Younger classes learned Chanukah info through an exciting Minute to Win It Competition! Every class enjoyed dreidel games and crafting an original Menorah to use at home.

Looking forward to parents joining us for the Kindergarten Chanukah party this Sunday!
