## FROM THE RABBI

### 28 Years Strong

28 years ago, after the Rebbe's passing, many people were concerned that the vibrancy of the Rebbe's message would be dimmed by his absence.

In reality, as we commemorate his 28th Yahrzeit, it's obvious that the opposite occurred. The Chabad outposts around the world increased five-fold. If in 1994 there were 1000 of the Rebbe's emissaries, today, there are 5500 – and growing daily.

But not only his mission stays alive. His teachings and messages are currently inspiring millions of Jews and non Jews; to a point that the Rebbe's presence is stronger than ever.

The number 28 spells Koach in Hebrew letters, which means strength. After 28 years strong we have the confidence to keep moving forward.

- Rabbi Zushe Greenberg
