## FROM THE RABBI

### Loan Forgiveness

The White House recently announced a student loan forgiveness program for those that are eligible. As in every other political move, some support it, while others oppose it.

Judaism believes that everything that happens is by Divine Providence. This program was announced in the Jewish month of Elul – the month that leads us straight into the High Holidays.

Rosh Hashana and Yom Kippur are days that could be titled, "G-d's Forgiveness program." Every year, we promise that we will change; try to be better, but not always do we live up to it. At services, we ask G-d for forgiveness – and for this, we are ALL eligible.

Wishing you all a Shana Tova!

- Rabbi Zushe Greenberg
