FROM THE RABBI

My Mother

The last few weeks since the passing of my mother, I realized what an impact one person can have on the world.

One Jewish woman dedicated her life to raising a houseful of children, and the outcome is more than anyone could ever imagine.

Today, there are over 50 Chabad centers, led by her children and grandchildren around the globe.

When someone passes away, we light a candle which represents a soul. Thanks to my mother's devotion, countless Jewish souls were lit. What a legacy!

- Rabbi Zushe Greenberg
