## FROM THE RABBI

### The Case for Israel...

... is the title of a book written by Professor Alan Dershowitz. I think the true answer was written 900 years ago, by Rashi, one of the most famous Bible commentators.

In his very first commentary on the Torah, Rashi provides the answer to the burning question of our right to the Land of Israel.

He says, "If the nations of the world say to the people of Israel, 'You are thieves, for having conquered the lands of Canaan,' they would reply, 'The entire world is G-d's. G-d created it and granted it to whoever He desired. It was G-d's will to take it from them and give it to us.'"

The Bible is our DEED for the land of Israel.

- Rabbi Zushe Greenberg

# HEBREW SCHOOL

In honor of Chanukah, every grade made a different and unique Menorah! The display in the lobby is full of creative Menorahs, including a fish tank Menorah and a light up Menorah!

The students have also been practicing the blessings to recite when lighting the Menorah, and the history of the holiday. The Kindergartners are excited to share their knowledge with their parents at a pre-Chanukah program for their class!

The 7th graders will have the opportunity to make latkes from scratch, and then bring them to the residents at the Vitalia assisted living, to bring them some Chanukah joy!
