## FROM THE RABBI

### Met at Sinai

Met at Sinai is not just the name of a dating site. It's true for all of us. Jewish tradition tells us that every Jewish soul was present at Mount Sinai when G-d gave the Ten Commandments to the Jewish people.

At Mount Sinai we became one family; one people. This explains our intrinsic connection to each other. When we meet a Jew, a stranger from the other end of the world, there is an instant bond, a connection – we are family.

Reading the news from Israel is not like a story that happens somewhere on the globe – it's our brothers and sisters. It's our story.

- Rabbi Zushe Greenberg
