FROM THE RABBI

New Torah for Hostages

It's close to six months since the Oct 7 tragedy, and there are still hostages being held in Gaza. Solon Chabad will be writing a new Torah dedicated to all who lost their lives in the attack and for the safe return of the hostages.

Participating in the dedication of a new Torah brings extraordinary merit and blessings.

On April 19th we will inaugurate this historic journey and write the first words of the new Torah followed by a community Shabbat dinner.

Please join us!

- Rabbi Zushe Greenberg
