FROM THE RABBI

We Need Each Other

The chaos on the college campuses across the USA has brought the Oct 7th war to our doorstep.

In the past, some of us thought the war is not our problem – it is across the ocean. And there were others in Israel, who were of the opinion that antisemitism is a Diaspora issue. By now, we can agree that we are all in the same boat.

History has proven that the only way we can succeed and thrive is when we have each other's back!

- Rabbi Zushe Greenberg
