FROM THE RABBI

Don't Argue – CONNECT!

Since Oct. 7th, many of us find ourselves arguing with our fellow Jews to defend Israel. We feel that if they would just know the facts, then they would change their mind.

But my friends, rarely will you meet someone that changed their mind because you proved to them that you are right. Very few people are ready to admit that they were wrong!

So what's the alternative? Engage them in Jewish action – rituals that will strengthen their connection to their own heritage. The more they will be emotionally connected to Judaism, the better chances there are for them to feel the pain of our brethren in Israel.

Just give it a try.

- Rabbi Zushe Greenberg
