FROM THE RABBI

Astrology

America is obsessed with the astrologist that predicted the current political upheaval.

Judaism knows the power of astrology and many of the Talmudic Rabbi's studied astrology extensively.

But in the final analysis, Jewish people should not pay attention to astrology, as it says in Jeremiah 10:2, "... Learn not the ways of the heathen; and be not be dismayed at the signs of the heavens..."

Ultimately, the Torah teaches us, that by doing a Mitzvah, we can change our destiny.

- Rabbi Zushe Greenberg
