FROM THE RABBI

A Turning Point

After a year of turmoil and aggravation since the Oct 7th attack, we are arriving to the New Year with hope and optimism for a better future for the Jewish people in general and Israel in particular.

In just ten days, the whole situation changed for the good. This must serve as a lesson that we should never despair and as it is written on the American dollar, In G-d we trust.

May this year bring peace and security upon us and especially upon the people of Israel. Shana Tova!

- Rabbi Zushe Greenberg
