## FROM THE RABBI

### President Carter and the Menorah

In 1973 the Lubavitcher Rebbe introduced a campaign to install outdoor giant menorahs in the most public places to inspire and encourage Jewish pride.

On the fourth night of Chanukah 1979, President Jimmy Carter lit the Shamash on the brand new giant Menorah in Washington, D.C., right across the street of the White House.

It is not a coincidence that 45 years later, at the age of 100, former President Carter passed away on the fourth night of Chanukah! What better way for G-d to tell us all how important was this act of showing solidarity with the Jewish people and promoting the idea of spreading light in the world.

- Rabbi Zushe Greenberg
