## FROM THE RABBI

### House of David

Dovid Melech Yisrael, Chai V'kayam. David, King of Israel lives forever. Lately, this famous song that Jewish people sing from time immemorial, has proven true once again.

The new Amazon Prime Series about the history of King David is so popular that it has been renewed for a second season.

There is something about the Bible, that even in 2025, the Biblical stories are still relevant to modern society. Not only is David alive forever, but the whole Torah is alive and relevant as it was the day it was given at Sinai.

- Rabbi Zushe Greenberg
