FROM THE RABBI

Turkey & Tradition

Did you enjoy your turkey on Thanksgiving?

It's interesting to note that when turkey first arrived from the New World, Jews had no longstanding tradition confirming it as a kosher bird.

In Jewish law, when determining Kosher birds, we rely not only on signs, but on the unbroken traditions passed down through generations.

Over time, as turkey became widely accepted in Jewish homes, our sages recognized that communal practice accompanied with the Kosher signs, is enough to form a new tradition. As Tevye said, "Tradition!!!!"

PRESCHOOL

Chanukah Performance

All the preschool classes have been working hard preparing for our Chanukah performance! Each class will present two songs and one dance, showcasing their excitement for the holiday.

Parents and grandparents are warmly invited to join us on: **Thursday, December 11th at 12:00 noon** in the social hall. for this special celebration.

Don't forget to taste the Chanukah cookies that the students prepared, and take home their Menorah in time for the holiday.

HEBREW SCHOOL

In honor of Chanukah, every grade made a different and unique Menorah that will be displayed in the lobby. The light up Menorah and fish tank Menorah are favorites!

The families of our Kindergarten students are invited for a Chanukah party on December 7th. They will enjoy an interactive storytelling of the Chanukah story with the kindergarteners as the characters!

Looking forward to a month full of Chanukah learning, food and fun!
