FROM THE RABBI

Tuition Free

The Albert Einstein College of Medicine just received 1 billion dollars – the largest gift ever given to a medical school in the U.S. The sole purpose was to create a tuition free school.

In Judaism, this concept is not new. The Talmud says, that just as G-d taught the Torah to the Jewish people for free, so too Moses taught the Jewish people for free and in turn, we too are expected to teach others for free.

In a perfect world, there would be no tuition in Jewish schools. Hopefully this gift will inspire others to make Jewish education tuition free as it was meant to be.

- Rabbi Zushe Greenberg

Shabbat At Home

This Sunday, the students in grades K - 3 will be playing the role of "party planner" as they prepare for a Shabbat experience to take place in their own homes! They will make a Shabbat craft, bake cookies, and assemble a Shabbat kit with grape juice, candles, paper goods, and even Challah dough ready to bake!

Every child that participates will be placed into a raffle to win a \$50 Amazon gift card!
