FROM THE RABBI

Running Toward Israel during War

In the middle of missile fire, a flight landed in Israel with over fifty new immigrants from France and Britain— young families, individuals, even a five-month-old baby and a ninety-two-year-old. In one of the hardest wars in years, they chose to come home.

President Trump asked Netanyahu why Israel's rescue flights are bringing people INTO the war zone, instead of going in the opposite direction. Netanyahu answered: this is the strength of the Jewish people and the power of their faith.

There really isn't even an explanation. Our love to G-d, the Torah and Israel is above logic.
